

Fundraising at Rowland Hall–St. Mark’s School

What to Expect in 2008

Welcome to Rowland Hall! We’re thrilled you’ve made the choice for your child(ren) to learn and grow with us.

Fundraising Priorities: The Annual Fund and The Endowment Fund

The Annual Fund First

Tuition does not cover the total cost of educating each student. Tuition and fundraising go hand in hand to make up the difference and make the very best educational experience available for you and your family.

The Annual Fund brings immediate value by ensuring the following:

- It keeps faculty salaries competitive with public school compensation and supports teacher training
- It enhances our programs and enriches our entire learning environment by supporting art and music classes, dance and theater programs, and other specialty classes
- It keeps tuition costs down so our student body can remain inclusive through financial aid and scholarships

The Annual Fund provides for a rich and expansive educational experience. Giving to the Annual Fund is also an important part of our school culture because it’s a way of “giving back” to our community that directly benefits our faculty and students.

Everyone can participate in the Annual Fund campaign. If you make one gift to the school, give to the Annual Fund first!

The Endowment Fund

The Endowment Fund creates long-term organizational financial stability. One of the ways you can support increasing the endowment fund is to come to the auction on November 8, 2008—it’s one of Salt Lake’s best parties for Utah’s best school.

Contact Us

Contact our Director of Development, Libby Ellis, at 801.924.2984 or LibbyEllis@rhsm.org. We’re looking forward to seeing you in the hallways and in the development team wing!
