

Home and School New and Gently Used Logo Items and School Uniform Sale

Home and School offers a New and Gently Used Logo Items and Uniform Sale twice a year, in August and June. The goals of the sale include being part of a sustainable community, offering uniforms at minimal costs, and raising funds for Home and School.

The sale works as follows. Parents donate used uniforms to the lower school throughout the school year and summer and Home and School sells them twice a year for 100% profit. We appreciate each of you supporting this event – it is a win-win for everyone – parents, children, Home and School, and our community.
