Rowmark offers SKI RACING programs for RHSM students
-Kindergarten through 8th grades.

Rowmark Junior Program breaks down into four different teams:

- **Rowmark Kindergarten:** Kindergarten skiers, ski 10 days total (recreational – no racing.)
- **Rowmark Love to Ski:** Grades 1-3, ski 2 times per week, 28 days total.
- **Rowmark Junior Team:** Grades 3-5, ski 2-3 days per week, 40-49 days total.
- **Rowmark B Team:** Grades 6-8, ski 4-5 days per week, 60–80 days total.

Goal: The goal of these programs is to offer RHSM skiers an opportunity to learn to race and improve skiing skills, while having fun exploring the mountains of Utah. Rowmark coaches help skiers develop the proper fundamentals of good ski technique, help skiers become independent while fostering a love for the sport.

Coaching staff: Our coaches have years of experience both as ski racers and ski coaches and, most importantly, like to be with kids and enjoy the sport of skiing.

Transportation: Rowmark offers round-trip transportation from school to Park City (or Snowbird).
