You must access the website to view the following important information and forms:

- Middle School Dress Code guidelines and Uniform Shirt Order Information
- Supply list
- Immunization Requirements

Important note about Health Forms:

1. If you have not already received a second MMR, the State Health Department requires all incoming Middle School students to have a second MMR (measles, mumps, rubella) immunization prior to fall registration. You can obtain this immunization at the Health Department or through your own physician. In the fall, please bring in your proof of immunization and we will add or transfer the information to our records.

2. All sixth grade students, as well as those in seventh and eighth grade who are new to RHSM this year, must have a physical examination and fill out UHSAA examination and consent Form A (Participant & Parental Disclosure and Consent Document). Sixth grade students do not need to complete Form B.

If you have questions, please call the Middle School office at 801-355-0272.
